

## Code Name Insight Monthly Task List—June

*\*Disclaimer: The information provided on this page is for informational purposes only. Use common sense when following any of the suggestions listed. The editors and publishers of this site assume absolutely no responsibility for any actions resulting from the misapplication of information provided by this website.*

- \_\_\_ 1) Learn how to (safely) ride a motorcycle.
- \_\_\_ 2) Develop a disaster continuation plan for your business.
- \_\_\_ 3) Your garden should be in bloom by now; develop a compost pile, write up a garden journal.
- \_\_\_ 4) Check out ethnic markets in the nearest large city—great prices and interesting items.
- \_\_\_ 5) Make an annual inspection of your home and fix/clean/update things as needed.
- \_\_\_ 6) Take a firearms class that will increase your skills.
- \_\_\_ 7) Turn off the TV for a week. See what it's like to avoid the media onslaught for a week.
- \_\_\_ 8) Have a garage sale. Get rid of stuff you don't need and make some money at the same time.
- \_\_\_ 9) Take the family/team on a week-long backpacking trip.
- \_\_\_ 10) Get a part-time summer job, if necessary, to pay off your bills.
- \_\_\_ 11) Prepare for hurricane season if you live in an area prone to hurricanes.
- \_\_\_ 12) Have all of your mail go to your PO box; never put outgoing mail in your home mail box.
- \_\_\_ 13) Find out what kind of perks your employer has and take advantage of them.
- \_\_\_ 14) Put your hobby to work. Make money from your hobby by teaching a class or selling your items.
- \_\_\_ 15) Find out how you can add solar power to your home or retreat.
- \_\_\_ 16) Raise your own meat: rabbits or chickens or, on a larger scale, pigs and cows.
- \_\_\_ 17) Put your/your family's info and pictures on a jump drive and take it with you on vacation; this is useful information in the event of an emergency.
- \_\_\_ 18) Sign up now for a Hunter's Ed class so you will be ready to go in the Fall.
- \_\_\_ 19) Take a boating class and learn how to use various watercraft.
- \_\_\_ 20) Clear up any problems in your background that may come back to haunt you (back taxes, back child support, fines, warrants, etc).
- \_\_\_ 21) Make your home safe from wildfires by clearing brush, making a fire line, etc.
- \_\_\_ 22) While you are at a big summer event (fair, rodeo, baseball game, etc), make a mental plan of how you would escape and/or protect yourself in the event of an emergency.
- \_\_\_ 23) Go to [www.download.com](http://www.download.com) and learn how to install/use spyware remover, anti-virus, ad blocker, disk wiper and other useful software on your computer.
- \_\_\_ 24) Brush up on your electronics skills. Go to [www.popsi.com](http://www.popsi.com), click on How 2.0, and pick a task to do.
- \_\_\_ 25) Consider getting/training a guard dog as an additional source of protection.
- \_\_\_ 26) Make sure you have very thorough first aid kits in your home, car, BOB, and office.
- \_\_\_ 27) Learn how to sharpen/care for your survival knife.
- \_\_\_ 28) Add to your investment funds and home cash stash.
- \_\_\_ 29) Research the official warning systems that would be used in your area in the event of an emergency.
- \_\_\_ 30) Set your phone or PDA to receive top story email/text updates.
